2023 Form PCR Instructions

If you are a Minnesota voter who contributed gifts or money to Minnesota political parties or candidates for Minnesota state offices, you may apply for a refund of all or a portion of contributions made between January 1, 2023, and December 31, 2023. The maximum refund is \$50 for an individual and \$100 for a married couple filing a joint application.

You (and your spouse if filing a joint application) may file only one Form PCR for each calendar year you made contributions, even if you contributed to more than one candidate or party.

You may receive a refund for all or a portion of contributions you made between January 1, 2023, and December 31, 2023, to candidates who have signed an agreement with the Minnesota Campaign Finance and Public Disclosure Board to observe the state campaign spending limit law. Your contributions to candidates for these state offices may qualify:

- Minnesota House of Representatives
- Minnesota State Senate
- Governor and Lieutenant Governor of Minnesota
- Attorney General of Minnesota
- Secretary of State of Minnesota
- Minnesota State Auditor

You may also receive a refund of all or a portion of contributions you made to any of these:

- Democratic-Farmer-Labor Party
- Republican Party of Minnesota
- Grassroots-Legalize Cannabis Party
- Independence Party of Minnesota
- Legal Marijuana Now Party
- Libertarian Party of Minnesota
- Any precinct, city, county, congressional or legislative district unit of the Minnesota parties listed above.

Who can claim this refund?

You must be, or be eligible to be, a registered voter in Minnesota. Also, all of these must apply:

- You are a United States citizen.
- You are age 18 years or older.
- You lived in Minnesota for at least 20 days immediately before any 2023 statewide or local election in which you would be eligible to vote if you were registered.

You are not eligible for the refund, regardless of whether or not you are a registered voter, if any of these are true:

- You are under a person's guardianship, but have not retained the right to vote.
- You have been found by a court to be legally incompetent to vote.
- You have been convicted of a felony and your civil rights have not been restored.

Include EP-3 Forms

To receive your refund, you must include with your Form PCR the **original** Form EP-3, *Minnesota Political Contribution Receipt*, you received for each contribution.

If you do not include the original receipts, we will send your form back to you. You must have made contributions between January 1, 2023, and December 31, 2023, to file the 2023 Form PCR.

When to File

You may apply for your refund at any time, but no later than April 15, 2024.

Do not mail your application in the same envelope with your Minnesota income tax return. You cannot use the amount of your Political Contribution Refund as a credit on your Form M1. Including Form PCR in the same envelope as your return may delay processing of both forms.

Amended Returns, Extensions for Filing are Not Permitted

You cannot amend Form PCR. You cannot get an extension to file Form PCR. You must file the form by April 15, 2024. We will not issue refunds for 2023 Forms PCR filed after this date.
